

# Celebrate World Cancer Day

Saturday 4<sup>th</sup> February 2012

This World Cancer Day marks 10 years since Cancer Research UK was formed and over 100 years of our groundbreaking research\*

**Celebrate World Cancer Day with us by putting on your own fundraising event**

*Three great reasons to celebrate...*

More than 95% of men with testicular cancer in the UK are now cured.

Cancer survival rates in the UK have doubled in the last 40 years. Our work has been at the heart of that progress.

More than 8 out of 10 women in the UK now survive breast cancer for more than five years.

*You Can help us continue our life-saving work by:*

- **Organising a party in a local venue** – a music event, talent show or quiz
- **Hosting a dinner party or bring and share buffet** – charge per guest
- **Challenging yourself** to a 10 mile bike ride or a 10 hour dance-a-thon
- **Selling tickets for a birthday themed raffle**
- **Arranging a fancy dress day at work**
- **Providing refreshments** at a sports match or event

**For more information register for a free fundraising pack at [www.cancerresearchuk.org/fundraising](http://www.cancerresearchuk.org/fundraising) or call 08701 60 20 40**

**Text to donate**  
Text CRUK66 and the amount to 70070  
(e.g. CRUK66 £5)

*Together we will beat cancer*

CANCER RESEARCH UK

Registered as a charity in England and Wales no. 1089464 and Scotland no. SC041666

\*Cancer Research UK was formed in 2002, following the merger of The Cancer Research Campaign and the Imperial Cancer Research Fund, first established back in 1902
